

# Retiree IDs for All Mainline Retirees

We know that badges are important for retirees. They're a helpful resource as you're traveling and they allow you access to eligible discounts even when you're not on the road. That's why we're pleased to share that we're ready to start printing retiree ID badges for all mainline retirees. This is great news, especially for our Legacy US Airways retirees who, prior to now, were not issued IDs. If you have previously submitted a paper form request and would like to resubmit your request online, please feel free to do so as it will expedite the processing of your request. If you don't resubmit, we'll continue to work your original request (the online request is quicker though).

Please know that we expect a number of requests for this initial launch, and ask that you be patient with us as we work through all the printing and logistics. To request your badge, [fill out the form](#) and upload your picture. If you have any questions or need assistance, please email the Retirement Services team at [retirement.services@aa.com](mailto:retirement.services@aa.com) or contact Retirement Services at 1-800-447-2000 and follow the prompts to Retirement Counseling.
